

St. Mary 5th and 6th Grade PREP Make Up Work Policy

For students in St. Mary's 5th and 6th grade class who have missed one or more classes this year, please ask your teacher what chapter you missed while you were gone. Then take that content home, read through that chapter, and study it.

Once you feel like you understand the material, go to www.bemydisciples.com and in the bottom left corner of the page, under the chapter review section, choose "Grade 5" and whatever chapter you missed. See the figure below.

The screenshot shows the Be My Disciples website interface. At the top, there is a banner for "A Complete Music Program" with the text "Music engages children and youth!" and "Enjoy a full Music Program for Grades 1-8, including a bilingual music CD." Below the banner, there are four main sections: "Chapter Reviews", "Games", "Resources", and "Newest Posts". The "Chapter Reviews" section is circled in red and contains a description: "Select from the drop-downs to get quick access to online lesson materials for your class." It features two dropdown menus: "- Select a Grade -" and "- Select a Chapter -", followed by a green "Go" button. Other sections include "Games" with "Cloud Jumper", "Shuffle", and "Memory"; "Resources" with "Catholic Resources", "Program Overview", and "Interactive eBooks"; and "Newest Posts" with "Vatican II Resources", "The Daily Meditations of Pope Francis", "Time, Talent, and Treasure", and "Staying Healthy". The browser's address bar shows "www.bemydisciples.com/".

Complete the short online quiz, and when prompted to send your results to an e-mail address, send it to PJ at dreyouthpastor@gmail.com. PJ will be looking for results of 75% or better to verify that the content was studied at home. If you get less than 75% correct, look over the material again and then take the quiz again.

Once a student has made up their work, your teacher will be notified and credit for the class given. If you have any questions, feel free to contact PJ at dreyouthpastor@gmail.com.
